Applicants respectfully request the Examiner's consideration of the cited references and entry into the record of this application and that they be cited of record in the prosecution history of the present application by initialing Form PTO/SB/08 next to the document. Such initialing is requested even if the Examiner does not consider the cited document to be sufficiently pertinent to use in a rejection, or otherwise does not consider it to be prior art for any reason, or even if the Examiner does not believe that the guidelines for citation have been fully complied with. No representation is intended that the cited documents represent the results of a complete search, and it is anticipated that the Examiner, in the normal course of examination, will make an independent search and will determine the best prior art consistent with 37 CFR 1.104 and, in the course of each search, will review for relevance every document cited in the attached form even if not initialed.

The references cited on the enclosed PTO/SB/08 form were cited in International Search Report for the corresponding PCT Application (PCT/US03/24848) filed August 6, 2003. A copy of the Search Report is enclosed.
